

Part Three: Topic Vocabulary

In Part Three of this test, you are required to talk about the topic of conflict and cooperation. To check or add to your vocabulary on this subject, look at the words and phrases below. List them in the appropriate column. Then decide whether they are verbs, adjectives or nouns and label them appropriately. Then note down the precise meaning of each one (you may need to consult a dictionary) and try to think of sentences in which you could use them.
