9 Read the texts and write the jobs in the grid.

1

Janina, 25, Poland

I work in a restaurant. We serve Italian food and I work in the kitchen making it. I make a lot of pizzas and some pasta dishes. It's a great job with really nice people. When I finish in the evening, I can eat some of the food I have prepared.

2

Bob, 63, England

The worst thing about my job is that people usually only call me when they have a problem in their kitchen or bathroom. The other night, someone called me at 10 p.m. to tell me that their washing machine wasn't working. Water was coming out of it. But the best thing about my job is finishing a new bathroom or kitchen and seeing that my customers are pleased.

3

Howard, 42, Jamaica

I've always done this job. Before, I had a taxi, but now I drive a bus. It's a nice job because you meet lots of people. But sometimes I have to work evenings and weekends and then I don't spend time with my family.

4

Tomoko, 29, Japan

A lot of people think this job is boring. But I love it! I've always liked maths, so working with numbers all day is no problem for me. Lots of working people don't have time to deal with their money and taxes. So that's how I can help.

5

Marisa, 20, Philippines

I've looked after children all my life. When I was a child, I helped my parents with my five younger brothers and sisters. And now, looking after other people's children is my job. I work for a family with two children. The parents work full-time, so I take the older child to school and then spend the rest of the day with the younger one. She's two and she's learning to speak. I think I've got the best job in the world!

6

Marwan, 58, Egypt

People think that I work in court every day. In fact, I am in my office most days. I only go to court once or twice a week. But this is when I have to make important decisions. So I always need to listen very carefully to people.

7

Maria, 33, Argentina

I studied languages at university. My first language is Spanish and I also know Portuguese and Chinese. There is a lot of business between my country and Brazil. But a lot of people in Argentina don't understand Portuguese. So my job is to read documents in Portuguese and then write the same thing in Spanish.
